

Enterprise Award 2018 – South East Asia

DRM Enterprise Award 2018- South East Asia

The DRM Enterprise Award 2018 – South East Asia - is to be presented to an individual or an organisation that has promoted Digital Radio Mondiale successfully, applied innovatively and actively introduced DRM in a specific market.

The winner of the cash prize will be selected by an independent board of specialists, made up of representatives drawn from organisations within the region and representatives of the DRM Consortium.
