at the SABA [Event](#) Johannesburg 2013!

The DRM Consortium

Invites you to the Workshop:
"DRM – The Flexible Choice for Digital Roll-Out"
to learn more about DRM and to experience digital radio for yourself
on:

19th July 2013 from 10.00 to 12.30

The Indigo Room, The Coca-Cola Dome, Northgate, Johannesburg

Digital Radio Mondiale is holding its first such workshop in conjunction with the Southern African Broadcasting Association (SABA) during MediaTech, Africa's biggest technology and trade show exhibition for the media and entertainment industry.

Senior DRM Consortium experts from around the world, representing international companies like Ampegon, Fraunhofer IIS, Nautel and others will make presentations and answer your questions.
