PM calls for concrete plan to fight COVID-19 at virtual G20 summit
@narendramodi Prime Minister Narendra Modi has called on G-20 leaders to help usher in a new globalization for the collective well-being of humankind and have multilateral fora focus on promoting shared interests of humanity. In his address at Virtual G-20 Leaders’ Summit last night, Mr Modi underscored the need to put human beings at the centre of vision of global prosperity and cooperation. He also stressed the importance of freely and openly sharing the benefits of medical research and development, developing adaptive, responsive and humane health care systems, and promoting new crisis management protocols.

The Summit was convened to discuss the challenges posed by the outbreak of the COVID-19 pandemic and to forge a global coordinated response. Mr Modi called on the G20 to come out with a concrete action plan to fight the global pandemic. Prime Minister said that 90 percent of the COVID-19 cases and 88 percent of deaths were in G20 countries.
